What has been the cost to the taxpayer, provincial and federal, during the period referred to in question #2. 4. In view of our changing society and times, with world travel as it is, extended holidays, etc., does the Minister of Colleges and Universities feel that Sabbatical Leaves are now required or warranted.

11. *Mr. Deacon*—Enquiry of the Ministry—What does the government estimate the value of the benefits provided the Premier in connection with travel and any other expense incurred by it as a result of his family ski vacation in Stowe during March 1972 as required under Section 5 (1) (a) of The Income Tax Act.

2. *Mr. Deacon*—Resolution—That municipalities, upon adoption of market value assessment, be given the right to apply a factor to assessment by class to enable them to restore the traditional balance of taxation as between classes.
3. *Mr. Haggerty*—Resolution—That the Government of Ontario initiate a program to obtain by purchase or otherwise for the public purposes of Ontario all land not now owned or held for public purposes between the edge of the water and the high water mark of any navigable body of water.

10. *Mr. Burr*—Resolution—That, in the opinion of this House, inasmuch as fluoride is one of the three worst air pollutants jeopardizing human health and welfare, it is urgent that the government initiate an immediate study in Ontario to determine:
 1. for infants, healthy adults, and those suffering from ailments such as diabetes, kidney trouble, etc., the maximum safe limit of daily ingestion from all sources, including, (a) the inhaling of fluoride polluted air, (b) the eating of food grown on soil contaminated by fluoride fall-out, food grown in soil fertilized by fluoride contaminated phosphates, foods processed or cooked with fluoridated water, (c) the drinking of fluoridated water, and (d) the exposure to fluoride in pharmaceuticals, pesticides, aerosols, etc.

QUESTIONS

5. *Mr. Cassidy*—Enquiry of the Ministry—As of March 15, 1972, what members of the Legislature hold positions on boards, agencies, commissions or other bodies outside the Legislature to which they were appointed by the Lieutenant Governor in Council, by the cabinet, or by a government ministry. QUESTIONS

5. *Mr. Cassidy*—Enquiry of the Ministry—As of March 15, 1972, what members of the Legislature hold positions on boards, agencies, commissions or other bodies outside the Legislature to which they were appointed by the Lieutenant Governor in Council, by the cabinet, or by a government ministry. In each case, what is the position held by the member, what salary, expenses, or other payments and privileges does he receive for holding that position, and what are his duties in that position.
6. *Mr. Reid*—Enquiry of the Ministry—Would the Premier provide a complete list of people employed in his office, their titles, and salaries.
10. *Mr. Yakubuski*—Enquiry of the Ministry—1. Are Sabbatical Leaves granted to any other level other than post-secondary. 2. How many of such leaves have been granted during the last year the Minister has figures for. 3. What has been the cost to the taxpayer, provincial and federal, during the period referred to in question #2. 4. In view of our changing society and times, with world travel as it is, extended holidays, etc., does the Minister of Colleges and Universities feel that Sabbatical Leaves are now required or warranted.

11. *Mr. Deacon*—Enquiry of the Ministry—What does the government estimate the value of the benefits provided the Premier in connection with travel and any other expense incurred by it as a result of his family ski vacation in Stowe during March 1972 as required under Section 5 (1) (a) of The Income Tax Act.

Does the Ministry have a policy concerning the exploitation of a paid professional association by an individual with a university as a means of subsidizing extra-curricular activities, such as writing newspaper articles, organizing political groups, assuming political candidacy for a political party, and so on, when such activities become almost a fulltime occupation and appear unrelated to the need for maintenance of the professional standards and knowledge of the individuals concerned.
15. *Mr. MacDonald*—Enquiry of the Ministry—To what municipalities and in what amounts, was the \$10 million job-creation home improvement program apportioned during the past winter.

9. *Mr. Carlton*—Resolution—That, as by deed registered on the 5th day of July, 1968 in the Registry Office for the Registry Division of Victoria as number 94397, R. Douglas Kennedy, Member of the Assembly for the Electoral District of Peel South, and others did grant to Her Majesty the Queen in right of the Province of Ontario, for the nominal consideration of \$1.00, the lands described as being,

in the Township of Laxton, in the County of Victoria, in the Province of Ontario, being that portion of ONE FOOT RESERVE "B", REGISTERED PLAN NUMBER 455 for the Township of Laxton, designated as PART 1 on a Ministry of Transportation and Communications Plan of Survey P-2921-13 being a Reference Plan deposited in the Registry Office for the Registry Division of Victoria as Plan 57R-288,

Douglas Kennedy in the said lands so conveyed by him may be reconveyed to him by Her Majesty for the nominal consideration of \$1.00 and his seat in the Assembly shall not thereby be vacated nor shall he thereby be rendered ineligible as a Member to sit or vote in the Assembly.

PRIVATE MEMBERS' NOTICES OF MOTION

1. *Mrs. Scrivener*—Resolution—That in the opinion of this House, the Great Hall of Union Station should be maintained in its present location as an historic site, and that the Government of Ontario should ensure its preservation as an integral part of the Metro Centre Project.
2. *Mr. Deacon*—Resolution—That municipalities, upon adoption of market value assessment, be given the right to apply a factor to assessment by class to enable them to restore the traditional balance of taxation as between classes.
3. *Mr. Haggerty*—Resolution—That the Government of Ontario initiate a program to obtain by purchase or otherwise for the public purposes of Ontario all land not now owned or held for public purposes between the edge of the water and the high water mark of any navigable body of water.
4. *Mr. Drea*—Resolution—That in the opinion of this House, the Ontario Department of Governmental Services be empowered to study the feasibility of recycled paper as the sole source of paper supply for use by all Government of Ontario departments.

9. *Mr. Paterson*—Resolution—That all water distribution systems operated by the Province of Ontario should include the provision of the addition of fluoridation in the interest of the prevention of dental disease.
10. *Mr. Burr*—Resolution—That, in the opinion of this House, inasmuch as fluoride is one of the three worst air pollutants jeopardizing human health and welfare, it is urgent that the government initiate an immediate study in Ontario to determine:
 1. for infants, healthy adults, and those suffering from ailments such as diabetes, kidney trouble, etc., the maximum safe limit of daily ingestion from all sources, including, (a) the inhaling of fluoride polluted air, (b) the eating of food grown on soil contaminated by fluoride fall-out, food grown in soil fertilized by fluoride contaminated phosphates, foods processed or cooked with fluoridated water, (c) the drinking of fluoridated water, and (d) the exposure to fluoride in pharmaceuticals, pesticides, aerosols, etc.
 2. the actual range of daily fluoride intake in Ontario's fluoridated communities by such groups as: infants; adults; sedentary workers; and those doing hard physical work.
13. *Mr. Renwick*—Reasoned Amendment—That the motion for second reading of Bill No. 215, intituled "The Corporations Tax Act, 1972" be amended by deleting all the words after "That" and substituting therefor the words:—"this Bill be not now read a second time but be referred back to the Ministry for the purpose of reconsidering the provisions of the Bill relating to income, expenses, depreciation, depletion, exploration and development expense, and other allowable deductions so that the corporate private sector shall bear its fair and equitable share of the total tax burden imposed by this Government on the people of this Province.
15. *Mr. Lewis*—Motion under Standing Order 87i—That, as the result of this Government's consistent and reprehensible refusal to institute electoral reform which: 1. would make political contributions a matter of public record, ensuring no opportunity for situations such as the "Fidnam affair"; 2. would establish a ceiling on election expenditures by individual candidates and political parties—including expenditures by others on behalf of candidates or parties; 3. would arrange for a redistribution of constituencies on an equitable basis: it therefore no longer deserves or enjoys the confidence of this House.

11. *Mr. Deacon*—Enquiry of the Ministry—What does the government estimate the value of the benefits provided the Premier in connection with travel and any other expense incurred by it as a result of his family ski vacation in Stowe during March 1972 as required under Section 5 (1) (a) of The Income Tax Act.

12. *Mr. Young*—Enquiry of the Ministry—Will the Ministry table the full report of the enquiry into the accident to Colin Lampard and William Flynn on Friday, August 14, 1970, at the Fairbanks Transformer Station, Roselawn Avenue, Toronto.

How many schools in Ontario have stairwells not enclosed and shut off with fire doors. Is the Minister prepared to make additional funds available to schools which have unenclosed stairwells.
26. *Mr. Martel*—Enquiry of the Ministry—In view of the Minister of Natural Resources' refusal to supply me with information requested concerning the previous employers of present employees of the Ministry of Natural Resources, will the Ministry provide complete work history and companies involved for the following: (a) Assistant Deputy Minister of Natural Resources, responsible for mining; (b) Special Advisor to the Minister, Mr. D. In view of the fact that the totals were considerably higher than any count based on ODC and NODC Press Releases and Orders in Council relating to ODC and NODC loans, would the Minister table before the end of this session a complete list of ODC and NODC loans which were approved in the period April 1, 1972 to date for the following categories, showing recipient, amount of loan, interest rate, and if available, number of jobs to be created as a result of the loan:—1.
